

Building Biblical Community

Celebrate. Learn. Love. Serve.

This class is about strengthening our sense of community. According to the authors of the study guide we will be using, the first “four sessions will stretch you, refine your thinking, reformulate your mission and renew your passion for community.” The last three sessions will relate what we have learned to our own church community.

The format of the class includes teaching, discussion, and self-reflection on experiences with celebrating, learning, loving and serving together. We’ll be rolling up our sleeves and perhaps taking a few risks to grow in the context of building solid relationships. Of course, we’ll have lots of fun along the way!

Study guide provided.

“Remain in me and I will remain in you. No branch can bear fruit by itself; it must remain in the vine.”

John 15: 4
