

Art's Alive at Saint Stephen's presents...

A memorable day trip to view the San Antonio Museum of Art's special exhibit & collection

ART OF THE MISSIONS OF NORTHERN NEW SPAIN NOVEMBER 14, 2009

TRIP INCLUDES A VISIT TO THE MISSION SAN JOSE DE ESPADA
AND THE McNAY GALLERY EXHIBIT OF THE GOUDSTIKKER COLLECTION

The Mission of San Jose de Espada is the architectural prototype for Saint Stephen's Episcopal Church in Wimberley.

A preeminent art dealer in Amsterdam, Jacques Goudstikker's vast collection of masterpieces fell victim, and was almost lost forever, to the Nazi practice of looting cultural properties. His collection was confiscated in 1944 by Goring, but 200 pieces have now been restored to the Goudstikker family.
