Take. Bless. Break. Give.

These are the actions of Jesus. Over and over again, throughout the Gospel accounts, Jesus takes food, he blesses it, breaks it up, and gives it to the people. This is not his work alone, he also instructs his followers to do the same.

St. Naucratus follows the Lord's instruction to "do this in remembrance of me."

The Order of Naucratus is an organization of hunters and fishers who share their harvests with those who are hungry.
