**St. Stephen's  
Episcopal Church  
and School**

## A message from the Rector

Welcome to St. Stephen's Episcopal Church and School! Our community welcomes you not only to worship with us, but to join on some of the many wonderful offerings of fellowship, worship, lifelong learning, and outreach.

We are truly a welcoming community that is committed to being in relationship with God and one another. The commandment of Jesus to love God and to love our neighbor is at the core of who we are as a church. We strive to be a place of comfort, creativity, and compassion while celebrating the many blessings God provides in life.

I encourage you to reach out to me at the church office so we may get to know one another better. Blessings to you and yours along the journey of faith that we worship and serve together here at St. Stephen's.

Peace, The Rev. Kevin LJ Schubert

# Worship Schedule

## Sunday 8:00 am

Join the St. Stephen's community in the Chapel for this early morning Holy Eucharist Service with music. This welcoming and inviting service encourages contemplation, community formation, inspiration, and faith development.

## Sunday 10:30 am

Join the St. Stephen's community in the Church for this Holy Eucharist Service with music led by the choir. The first part of the service offers the opportunity for children to attend Sunday School (Sept - May). This welcoming and inviting service also encourages contemplation, community formation, inspiration, and faith development.

## Wednesday 10:30 am

At midweek take a break to commune with God and the St. Stephen's Community at this Holy Eucharist Service with optional Healing Prayers. The service affords a great opportunity to thoughtfully and prayerfully worship God; especially asking for God's healing blessing upon you or a loved one.

## St. Stephen's Episcopal Church & School

is located in the beautiful Texas Hill Country where solace can be found in our mission-style chapel and church, courtyard, nature trail, labyrinth, and cemetery. Our beloved Parochial School, with over 150 students in PreK 2 through 8th grade, is a well respected institution serving the greater Wimberley area with quality and excellent education.

As an Episcopal Church, we believe in upholding the respect and dignity of all persons, liturgical traditions, a theology based within the Holy words of scripture; the sound experience of reason; and an atmosphere of open curiosity.

Whether you are already Episcopalian, or you are curious and inquiring about our faith, we invite you to join us for worship! You might consider joining one of our programs for adults, teens, and children, including Sunday School and more than 30 ministries that assist, serve, and encourage compassion and grace in the greater community.

Come meet us, worship with us, and ask any questions you may have. In so doing, you will find a church home that is accepting, loving, and grace filled.

*You Are Welcome Here!*
