LEADERSHIP & OFFICE ANNOUNCEMENTS

Nancy Cooke-Jenkins, Senior Warden

Hang in there, everyone! We'll make it ...in case you have not heard, the church office is closed to the public while COVID-19 guidelines remain in place. Rest assured, your VESTRY continues to meet regularly with the help of freeconferencecall.com. We will have a detailed update for you in your Friday, April 3 edition of *eNEWS*.

Roy Buckley, Treasurer

The members of the St. Stephen's congregation remain steadfast in support of the church's finances even in a time when we find ourselves needing to commune virtually. Technology has made it possible to meet our pledge obligations through the St. Stephen's website online giving platform, <https://www.ststeve.org/online-giving>. I urge all members to visit the online giving platform and spend a few minutes becoming familiar with it. These type of payment methods are at your disposal to use, yet, by no means, are you required to utilize the technology. The tried-and-true method of writing a check made out to: *St. Stephen's Episcopal Church*, and mailing through the trusty U.S. mail works too! And, will be much appreciated.
